JULY 2010

2010-2011 INTERNATIONAL PRESIDENT SID SCRUGGS INDUCTED!

HOPE TRIUMPHANT!

On July 2, 2010, HOPE triumphed at the International Convention of Lions Clubs in Sydney, Australia, with the inauguration of International President Sid L. Scruggs III.

Adopting as his logo the Cape Hatteras Lighthouse on the shores of his home state of North Carolina, President Sid L. Scruggs III has committed himself to focus on, and shine a light on, the efforts of Lions and their chosen "Signature Community Service Projects."

President Sid L. Scruggs III's motto is "A Beacon of Hope." And, he has challenged our members to become a "Beacon of Hope" to those in need.

To learn more about the challenge, and how we are incorporating it into District 16B's goals, go to:
